

**DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS

Prior to the commencement of any of the activities listed below, the Owner(s) of the Lot shall submit to the ACC two (2) copies of a sketch or survey ("Drawings") of the affected Lot prepared by a licensed surveyor, engineer, or architect or designer:

6.3 Prior Approval for Changes

If after the completion of any approved improvements to a Lot, the Owner thereof desires to construct any additional improvements to the Lot or to substantially alter the then existing improvements or the grade of the affected Lot, the Owner shall comply with the provisions of Section 6.2 above. A proposed alteration will be deemed substantial if it affects the location or exterior appearance of the prior approved improvements.

6.4 Review and Approval Process

None of the activities listed above in Section 6.2 shall take place without the prior written or deemed approval, as defined in Sec. 6.4b)2), by the ACC of the Drawings for any such proposed activity, except if the activity is the repair or replacement of previously approved exterior features with features that are identical or if the action is the repainting of an exterior surface with paint of the same color.

- 3) the proposed landscaping.

b) Standards and Procedural Matters of Consideration for Approval

- 1) The ACC shall review and consider any Drawings submitted to the ACC provided that any fees imposed for ACC review have been paid by the Owner(s). In considering the Drawing, the ACC shall consider whether all of the proposed activities proposed in such Drawings comply with the terms of this Declaration and the Village ordinances and in the ACC's sole opinion, do not detract from or depreciate any portion of the Property, even if the Drawings otherwise do not breach any other standard set forth in this Declaration. The ACC may approve Drawings (absolutely or conditionally) or may object to Drawings (absolutely or conditionally). The ACC may not disapprove of any reconstruction of any Building or other improvements on any portion or portions of such property following a casualty loss thereto.
- 2) If the ACC fails to approve or objects to the Drawings within sixty (60) days after submittal or the complete Drawings and payment of any review fees to the ACC, the Drawings shall be deemed approved as submitted. If the ACC objects to Drawings in whole or in part for any reason, the submitting Owner shall thereafter resubmit Drawings to the ACC with such revisions as are required. Each time Owner so submits the Drawings, the ACC shall have the right to approve or object to the Drawings within sixty (60) days after the submittal of the complete revised Drawings and the payment of any additional review fees to the ACC.
- 3) Following the ACC's approval of the Drawings, the improvements described therein shall be developed strictly in accordance with the approved Drawings. If the approved improvements are not completed within one (1) year of their initial approval, then such approval shall be deemed withdrawn and the same or different Drawings required to be submitted or resubmitted, as the case may be. The ACC may, in its discretion, extend the withdrawal period by up to an additional 6 months if it reasonably determines that the delay has been primarily caused by factors outside of the control of the Owner.

6.5 Separate Village Approval

Matters which require approval of the ACC may also require approval of the Village. Obtaining approval from the ACC and from the Village is solely the responsibility of the Owner desiring approval. Approval of Drawings by the ACC shall not be deemed approval by the Village and approval by the Village shall not be deemed approval by the ACC. Prior to the issuance of a building permit for any Lot, the Owner shall submit to the Village Building Inspector for approval of a copy of the stake out survey showing the street grade in front of the Lot, the finished yard grade, the grade of all four corners of the Lot and the grades of the adjoining Lots at the building corners or if vacant, at the building pad corners, the existing and proposed contours, easements, culverts and/or storm sewers.

6.6 Procedures and Budget

The ACC may set its own operating procedures consistent with this Declaration. The costs of operating the ACC shall be assessed by the Association as common expenses, except as permitted below. The ACC may, but need not require the payment of a review fee by an applicant Owner in connection with the submittal and review of any Drawings. The ACC may engage and employ consultants (e.g., architects, engineers or attorneys) either on a general or

on a case-by-case basis, and the costs thereof may be charged to an applicant Owner. The members of the ACC shall not receive any compensation for serving on the ACC but may be reimbursed for expenses incurred in performing their duties. All funds relating to the ACC shall be handled by the treasurer of the Association.

6.7 Uniformity Standards; Waiver

The ACC may adopt additional written standards of uniformity, setback, grading, landscaping, basements, roofing, or exterior, whether generally or for certain types of improvements. The ACC may waive any such standard which it has adopted, may waive any standard contained herein, and may waive any floor area requirements by up to 10% so long as the reduction does not exceed the minimums provided by the Village of Slinger Zoning Ordinance. The ACC may in its discretion also permit comparable or superior construction materials as substitutes for those required in this Declaration. Any such waiver or approval must be express and in writing. The ACC may enforce any standard even if it has, expressly or by acquiescence, permitted previous deviations from such standard. Any variance granted hereunder may be conditioned, and may be permanent or time-limited (and if not expressly time limited will be deemed to be effective for so long as the use of such property is not materially altered) The ACC may waive any standard even in the absence of an “unnecessary hardship”; those judicially determined standards for granting variances under zoning regulations shall not apply to the ACC.

6.8 Indemnification

Each member or former member of the ACC, together with the personal representatives and heirs of each such person, shall be indemnified by the Association against all loss, costs, damages and expenses, including reasonable attorneys’ fees, asserted against, incurred by, or imposed in connection with or resulting from any claim, action, suit or proceeding, including criminal proceedings, to which such person is made or threatened to be made a party by reason of service as a member thereof, except as to matters resulting in a final determination of negligence or willful misconduct on the part of such member. In the event of a settlement of such proceedings, this indemnification shall be provided only in connection with such matters covered by the settlement as to which the Association is advised by counsel that the person to be indemnified has not been guilty of negligence or willful misconduct in the such person’s performance as a member in the matter involved. This right of indemnification shall be in addition to all other rights and defenses. All liability, loss, damage, costs and expense incurred or suffered by the Association in connection with this indemnification shall be a common expense. All sheds must be approved by the ACC prior to its construction. If an owner desires to connect electricity to a shed, whether at or after the time of the initial construction, the installation of electrical connections must be underground.

6.10 Landscaping Requirements & Guidelines

a) Existing Vegetation

No existing live tree with a diameter of four inches or more, at a height of four feet above the ground shall be cut down, destroyed, mutilated, moved or disfigured without the approval of the ACC.

b) Grading

Developer and the Village of Slinger have agreed to a certain Storm Water Management Plan and Master Grading Plan on file in the office of the Developer and the offices of the Village's Building Inspector. Each Lot Owner shall conform to the Storm Water Management Plan and Master Grading Plan and shall not alter the grades established in such plans unless the Village Engineer approves a change. In the event of a conflict between any proposed drawings and the Storm Water Management Plan or the Master Grading Plan, the Storm Water Management Plan and/or the Master Grading Plan shall control. The Developer and the Village, their agents, employees or independent contractors shall each have the right to enter upon any Lot after giving reasonable notice to the Owner for the purpose of inspection, maintenance, correction or any drainage condition, and the Owner is responsible for the costs thereof. Owner shall be provided with a written notice of any drainage condition requiring maintenance or correction and given thirty (30) days to cure such condition before the Developer or Village will rectify such condition at Owner's cost.

c) Ponds

No ponds shall be constructed on a Lot without the prior approval of the Village. Rain gardens are encouraged to help slow the rates of storm water runoff, but the ACC must first approve them.

d) Lawns

Each homeowner is required to plant a lawn (seed or sod) within the first twelve (12) months after receipt of the occupancy permit from the Village.

e) Plantings

1. **Foundation Plantings** – At a minimum, each homeowner is required to plant a foundation planting in the front of their house within the first twelve (12) months after receipt of the occupancy permit from the Village. The foundation planting will contain a minimum of twelve (12) shrubs of at least two (2) gallon size with a minimum total of twenty (20) plantings. Plantings may consist of any combination of shrubs, perennial plants, decorative grasses, etc.
2. **Trees** – Each homeowner is responsible for planting one (1) shade tree or one (1) ornamental tree in the front yard of the lot. The shade tree must be a minimum of 1.5” caliper and selected from the approved list attached to this document as exhibit B. The tree(s) must be planted within the first twelve (12) months after receipt of the occupancy permit from the Village. Ornamental trees can be described as trees that enhance the dimension of the landscape with flowers, leaves, fruit, and spectacular fall color. Ornamental trees are also compact in size which makes them suitable for use in areas where shade trees are not appropriate.
3. **Grading** – All Grading must comply with the approved master grading plan. The homeowner assumes all responsibility to make sure compliance is followed during their landscape process. Builder/Developer assumes no responsibility if non-compliance of the master grading plan occurs. Reestablishing of drainage swales and surface water drainage prior to landscaping may be required due to settling or erosion runoff that may have occurred prior to owners landscaping.

f) Vision Triangles

There shall be no planting of perennials, shrubs, or trees within the vision triangles located at the intersection of all streets that exceeds a height of twenty-four (24) inches. Refer to the Village Ordinances to determine the size of the vision triangle.

g) Retaining Walls

Retaining walls are to be built out of boulders or manufactured stone products. Railroad ties, sawn timbers or any other wood product are prohibited as retaining wall structures.

h) Maintenance

Each Lot Owner is responsible for keeping their Lot free from debris and weeds prior to the planting of grass on the Lot. Each Subdivision Lot Owner adjacent to delineated wetlands shall not mow or otherwise disturb any plants, trees, bushes, greases, animals or other things growing, living or located in a delineated wetland, or other environmentally sensitive area.

Until grass is planted on each Lot, the Lot Owner shall be responsible for compliance with the Village of Slinger’s Weed Control Ordinance. Each homeowner is responsible for keeping the lawn and landscape in their yard in good maintenance. Should the landscaping

be left in an unmaintained state as to become a nuisance or any eye sore, the ACC retains the right to remedy the nuisance and assess the costs back to the homeowner. Owner shall be provided with written notice of situation and will be afforded fifteen (15) days to cure such condition before the ACC can take action.

ARTICLE 7. INSURANCE

7.1 Association Insurance

The Association shall obtain and maintain comprehensive general public liability insurance for occurrences on the Common Areas (including areas which are included in such definition by virtue of easements granted herein) and with respect to Common Improvements not in the Common Areas, all-risk casualty insurance coverage on all Common Improvements, and such other policies and/or coverages as the Board deems necessary or advisable.

7.2 Coverage of Association Insurance

The casualty insurance coverage shall be in an amount equal to the maximum insurable replacement value, with an "agreed amount" and a "replacement cost" endorsement, without deduction or allowance for depreciation. This coverage amount shall be annually reviewed and shall insure against loss or damage by fire and other hazards as commonly covered by a standard extended coverage endorsement and such other hazards as customarily covered with respect to buildings similar in construction, location and use. Comprehensive general liability coverage shall be in such amounts as the Board determines annually, but not less than \$1,000,000 per occurrence.

7.3 Proceeds

Association Insurance proceeds for casualty loss shall be for the benefit of the Association in order to finance construction of damaged Common Areas or Common Improvements. Liability coverage and other insurance proceeds shall be applied as the Association directs.

7.4 Cost

All premiums for Association Insurance and other insurance obtained by the Association shall be a common expense.

7.5 Waiver

The Association and, by acceptance of a conveyance to a Lot or Outlot or the use thereof, or any portion thereof or interest therein, each Owner or Occupant acting both for themselves and for their respective insurers, waive any claim it or they may have against the other for any loss insured under any policy obtained by either to the extent of insurance proceeds actually received, however the loss is caused, including such losses as may be due to the negligence of the other party, its agents or employees. All policies of insurance shall contain a provision that they are not invalidated by the foregoing waiver, but such waiver shall cease to be effective if the existence thereof precludes the Association from obtaining any policy of insurance at a reasonable and customary rate.

7.6 Acts Affecting Insurance

No Owner or Occupant shall commit or permit any violation of covenants or agreements contained in any of the Association Insurance, or do or permit anything to be done, or keep or

permit anything to be kept, or permit any condition to exist, which might (a) result in termination of any such policies, (b) adversely affect the right of recovery thereunder, (c) result in reputable insurance companies refusing to provide such insurance, or (d) result in an increase in the insurance rate or premium over the premium which would have been charged in the absence of such violation or condition, unless, in the case of such increase, the Owner or Occupant responsible for such increase shall pay the same. If the rate of premium payable with respect to the Association Insurance shall be increased by reason of, (1) the size, design or composition of a Building, (2) anything done or kept in a property subject to this Declaration, or (3) the failure of an Owner or Occupant to comply with Association Insurance requirements, or (4) the failure of any such Owner or Occupant to comply with this Declaration or the Bylaws, then the particular Owner or Occupant shall reimburse the Associations for the resulting additional premiums. The Association reimbursement right is without prejudice to any other Association remedy, and may be enforced by special assessment against the particular property involved.

7.7 Exclusions from Coverage

Association Insurance coverage shall exclude (a) coverage on any residence or personal property located within or pertaining to the exclusive use of an Owner except to the extent included as a standard coverage in the policy of Association Insurance; and (b) liability coverage on an Owner or Occupant, its guests, invitee, employees or tenants, arising out of any occurrences within a Lot and/or relating in any way to an Owner's or Occupant's personal property. It is the sole responsibility of each Owner or Occupant to obtain such insurance coverages as are excluded from Association Insurance.

After all Lots subject to this Declaration have been sold by Developer, this Declaration may be amended by recording an instrument executed by or on behalf of the Owners of at least seventy-five (75%) of the Lots subject hereto. Capitalized terms not defined herein shall have the meanings set forth in the Declaration.

1.3 Members "Members" of the Association shall consist of the Lot Owners as defined and set forth in the Declaration.

1.4 Initial Organization. Notwithstanding any provision set forth in these By-Laws to the contrary, the Developer shall designate the initial Board of Directors, consisting of three (3) persons, none of whom must be Members, who shall have all the rights and powers reserved to the Board under these By-Laws. Such members of the Board, or successors to any of them as designated by Developer, shall continue to serve until the Developer has sold all Lots of the Subdivision or any additions thereto.

1.5 Location. The principal office of the Association shall be at 120 North Main Street Suite 110, West Bend, Wisconsin 53095. The Association may have offices at such other places as the Board of Director may from time to time determine or the Association may from time to time require.

ARTICLE 2. VOTING, MAJORITY OF OWNERS, QUORUM, PROXIES

2.1 Voting.

- (b) If a Lot is owned by more than one person, the person entitled to cast the vote for the Lot may be designated by a certificate signed by all of the record owners of the Lot and filed with the Secretary of the Association. If the owners of a Lot cannot agree on how to vote, such Lot shall lose its vote for the particular item to be voted upon. If a Lot is owned by a legal entity, the person entitled to cast the vote for the Lot may be designated by a certificate of appointment signed by a duly authorized officer of such entity and filed with the Secretary of the Association. Certificated of appointment shall be valid until revoked or superseded by a subsequent certificate or a change in ownership to the Lot occurs. Notwithstanding the foregoing, and in the absence of any compliance with this provision by a Member, the Developer and the Secretary of the Association has the right to presume that a vote cast by a Member was on behalf of and with the authority of all of the Owners of the Lot whether personally or by a legal entity.

- (c) There shall be no cumulative voting. One (1) vote shall be allowed for each Lot regardless of the number of Lot Owners thereof. If title to a Lot is held by more than one person, the membership related to that Lot shall be shared by such Owners in the same proportionate interest and by the same type of tenancy in which title to the unit is held; however, such Lot Owners shall designate one (1) person to cast the vote appurtenant to such Lot. Voting rights may not be split and fractional votes shall not be cast. Shared membership interest must be voted pursuant to said designation and as further set forth in the By-Laws.

2.2 Majority of Members.

- (a) The term “majority of Members” shall mean those Members holding more than fifty (50%) percent of the votes to be cast on the particular matter to be voted upon.

- (b) A matter shall be deemed approved if approved by a majority of Members.

2.3 Quorum. Except as otherwise provided in these By-Laws, the presence in person or by proxy of 30% of Members shall constitute a quorum.

ARTICLE 3. MEETINGS

3.1 Roster of Members. The Association may maintain a current roster of names and addresses of every Member. Each Member shall be given notice of all meetings of Members of the Association.
